

## FY 2013 Raven DRAFT Annual Work Plan

- Nest Surveys
  - Due to interest from several potential contractors, a targeted RFP process will be conducted for surveys upon BLM lands. NPS lands will be surveyed with staff, volunteers, and/or interns.
  - Surveys will occur in the following focal areas
    - NECO
      - Ivanpah Valley
      - Chuckwalla DWMA
      - Joshua Tree National Park- 2<sup>nd</sup> Priority
    - WEMO
      - Mojave National Preserve
      - Desert Tortoise National Area- 2<sup>nd</sup> Priority
  - Pre-nesting season surveys
  - Nesting season offending raven surveys
- Removal Activities
  - Opportunistic removal of offending individuals
- Research to fully explore various methods of controlling raven predation, both long- and short-term, with preference for long-term using lethal and non-lethal methods.
- Education
  - Distribute the Raven Brochure
  - Raven Documentary Film
