

FY 00 Work Plan  
Data Management Interagency Work Group

1. Establish secondary listserver (e.g. DMIWG-A) for 'announcements' only (a moderated list); rename GIS listserver to DMIWG (open list).
2. Review five "Policy" Issues:
  - a. Commitment to Participate (members/DMG)
  - b. "Depth" of Data Standards
  - c. Data Contribution Form
  - d. MDEP Role
  - e. Budget
3. Initiate review of "corporate" datasets.
4. Update "Survey" information.
5. Review "corporate" standards.
6. Submit initiative to create/maintain Mojave Clearinghouse Network as data sharing vehicle (under the auspices of MDEP).
7. Potential oversight and/or support of Decision Support System.
